3. FINANCE REPORT: As per attached.

Noted that Wingham, Sharks and Chatham still not paid their Affiliation Fees. Craig has contacted each Club and advised if not paid by the end of the Month they will be charged 8.5% interest.

4. **GENERAL BUSINESS**:

- a. Craig advised that has received an e-mail from NSW Hockey advising him that Manning Valley would need to supply an Umpires Co-Ordinator and Tech Officials for the Womens Masters Hockey Championships. Deb Monck advised that for all of the Women's Masters that she has been involved with, no Tech Officials were used and the Umpire Co-Ordinator was always supplied by NSW Hockey. Craig checking to see what happen at last years Championships.
- b. Craig advised that Council will supply extra wheelie bins for the up and coming Championships at no charge. Will also have the old Canteen toilets and change rooms cleaned prior to the Championships.

- c. Craig has sourced 16 Goals, two of which will need repairing. Doug to speak to Franco to get a quote on cost of repairs.
- d. We now have the Council's irrigator downstairs for the use of watering the TLF. Shane Green will set up the irrigator once a month on Thursdays and run this whilst he is grooming the AFT. Noted that would only be able to do this once monthly to prevent the mould from growing on the Turf. Happy to have any volunteers to help Shane set this up.
- e. Presidents and Secretaries Meeting Craig acknowledge that should have had monthly meetings and will do so in the future. Also advised that he had contacted a few of the Presidents concerning there statements concerning lack of communication and after checking the all his e-mails noted that all information had been dispersed/circulated to the Club's Secretaries and that it was up to the Club's to hold more club meetings to ensure that information is given to their players.
- f. Doug supplied a pricing on Skip Bins currently paying \$130 per week for one bin, so when we order the extra bins for the Championships order for Thursday delivery and Monday pickup to try and cut down the cost of same.
- g. Coffee Machine Now repaired. Pump had to be replaced. Enquired re price to replace this one with a double. \$10,899 plus GST installed, but we would have to enlarge the hole in the bench top. Also requires 15amp power point to be installed to run the double coffee machine. Would receive 200 cup product package and if we traded in the old machine would receive and extra 500 cup product package. Received a follow up phone call the next day with another offer. i.e. currently on special for \$8990 plus GST but would only receive trade in 500 cup product package. Also happy for Manning Valley to pay back over a 3 months. Noted that Kerry Davey's husband has a single one sitting in his garage and waiting to see what price he wants for it. Agreed that at this stage not in a position to purchase a new double coffee machine.
- h. Carnival Committee meeting held last Saturday and copy of minutes attached. Noted that there maybe a problem with the roster, as Forster Strikers are set down to do from 3.30pm to 8.00pm on the Saturday and as most of their team consist of players who will be involved in playing and also wishing to attend the dinner. Noted that when the roster was put together Forster did not mention this being a problem. To check with them concerning this and may need to adjust the roster. One suggestion was to swap Gloucester from Sunday clean up to Saturday afternoon and move Forster to the Sunday afternoon clean up. Craig mentioned that he thought that Gloucester would have more a chance of getting players to help clean up then to work in the Canteen on the Saturday.
- i. Deb asked if there was a way to login and view only who has a community umpires accreditation so that she could check who has one in Manning Valley. Craig advised that Greg Doolan is the only one who has access to view this. Craig also mentioned that when the U15's Championships are being held that NSW Official may be able to let us have a look at who currently holds Community Umpires Accreditation.
- j. Deb advised that some umpires are being coached by other umpires on the field and believes that this should be limited to two or three person elected to do this so that the umpires are being taught correctly.
- k. Deb also noted that had received several verbal complaints concerning the standard of some umpires and has advised them that they need to put any complaints in writing so that they can be actioned on.
- I. Craig concerned about workload of some of the Directors and noted that some of the other Directors will need to pick up their game.
- m. Discussion held re Tech Officials not turning up. Unfortunately in our currently playing rules there is no penalty for not turning up. This will be looked at when the playing rules are being revised with a monetary penalty being put on Club for not supply a Tech Official. Will arrange for the Men's draw to have Tech Officials put on the draw for the whole season to enable Club's to roster players to cover this.

- n. Craig has arranged to have on standby a super soaker to be used if need be for the Championships.
- o. NSW Hockey have requested information for there booklets for the Championships, concerning Dental, Pharmacy and Physio contact information when Championships are being held. Noted that Lynne Turner to send letter to Manning Hospital advising them of the up and coming Championships.
- p. There are concerns re the coverage of the Bar for the Womens Masters Championships, so anyone who have a current RSA willing to offer any assist over the weekend will be most welcome. Can be someone who is not involved with hockey. Doug mentioned that Max Durrigan might be able to help out and will check with him.
- q. Shane advised that PSSA being held here this Sunday and will be charged \$11 per hour for the use of the Turf. Also U15's Rep teams will be playing against Port and Port Stevens Teams on Sunday as well.
- r. Shane has also spent 4 hours cleaning the sand out of the TLF cutters. Craig suggested that he use the gurney to wash the sand down the drain.
- s. At the next Secretaries and Presidents meeting will discuss the format of the 2017 competition. Looking at having a 14 week comp, with a preseason warmup comp prior to the 14 week comp. LT suggested that if the comp wasn't so long then maybe the summer comp would be more viable as player and workers wouldn't be so over hockey by the end of the season. Noted that with a shorter comp then cost would be less as you would be paying less turf fees.
- t. Discussion held re Opens Women and Men's rep fees. Currently being charged \$550 for nomination fee and \$170 for Turf Fees agreed that this be included in the cost to the players and Narelle and Dylan to be advised of this so that they can adjust their costings.

Meeting closed at 8.00pm
