Received a letter from Wingham Hockey asking for their game to be played on a different night as this night is a State of Origin game.

Rod Collier moved a motion that all games be transferred from the 22nd June 2016 to be played on Sunday the 7th August 2016 with the umpires that were set down to umpire these games to stay the same.

The washed out game between D3 Wingham v Gloucester Umpires Gloucester and Gloucester Tech Gloucester has been set down to be played on Sunday, 14th August 2016 at 10am on AFT with the umpires to be the same. Noted that game the still had 30 minutes to play it was deemed that it had to be replayed.

Noted that all outstanding games have been rescheduled.

All Clubs to their list of umpires with the contact phone number and e-mail address to LT by the end of the week, so that when any changes occur in the draw umpires can be notified directly and well as all Clubs being advised.

Request that an e-mail be sent to Frank asking for a point score and as we have reached the half way point for some division that a check be done in relation to the 50 + 1 players being allowed to play up. (Note that Wingham Hockey players are on 75 + 1 as per the three year plan put in place in 2015).

Noted that as Wingham Hockey Club has all their grades playing on the 7th August, 2016 that Gab Poole check with Grant Coleman if he is interested in bringing his smoker out and Wingham can use this as a fund raiser – Noted that this is one of the Sundays that the Bar is open.
