JUNIOR REPRESENTATIVE SELECTIONS TRIALS 2018

UNDER 18 BOYS

In 2018 we want as many players as available to attend and take a positive approach to the selection trials and not only see the trials as a selection process but also a development and coaching opportunity for all players.

No player should assume that they will be selected or not be selected but more positively approach the selection trials as an opportunity to assess the current level of your game and receive some great advice from our highly qualified Representative Coaches and Selectors.

The Under 18 BOYS selection trials will be held at:

**The Taree Hockey Centre
Sunday March 4th and Sunday March 11th
From 4.00pm to 6.00pm**

**The Under 18 BOYS State Championships will be held in
Bathurst from May 11th to May 13th**

The team Head Coach will be:

Steven Parvin (Leading Manning Valley Representative Coach)

IMPORTANT: Any player wishing to be considered for selection and who is unable to make both selection trials will need to submit a letter outlining your "**reasonable excuse**" for consideration by the selection panel. Any player unable to take part in all aspects of the selection process due to a medical reason must also advise prior to the selection trials and may be required to supply a medical certificate.

All exemption requests must be sent to the Representative Co-ordinator Tony Lewis at tony.tanya.lewis@bigpond.com before Friday March 2nd.

Tony Lewis
