6) Request from Amber Martin that we reconsider her application to register in division 4

**Discussion** – regarding playing rules and the impact of Amber registering at this late stage of the competition. Decisions as follows:

The Match Committee's original decision will stand for the 2010 season as per our womens playing rules regarding the number of grades a player can drop in any year. It is suggested that Amber contact the committee at the commencement of the 2011 season with her supporting evidence with the view that the committee may be able to give Amber a more favourable outcome.

7) Chatham v East Coast Game 26 June – due to the deferred division 1 match on 26 June, Marlene will contact Bob Baker (Chatham) and Trish Page (Sharks) to see if the teams would like to move their 8pm game forward to the 3.30pm time slot.

Marlene will send correspondence to the clubs to confirm the committee's decisions.

Deferred match draw to be compiled and distributed to each committee member. Marlene will print a copy and place on the notice board in the clubhouse.

Next Meeting as required.
