i. Canteen on Tuesday nights: noted that over the past three weeks that this competition has been functioning takings for the each night have been an average of \$20. Doug advised that is not worth having someone there for 2 ½ hours for so little income. BOM Meeting will be held every 3<sup>rd</sup> Tuesday at 6.00pm, this way the

	will need to see if I can get someone else to help on the front counter. Shane Green	
	said that he would be available on that day to help out as well and happy to cook the	
	chips. We have decided to just do pies, sausage rolls and hot chips as these items are	
	already in stock and can used in our normal competition games if we have any left	
	overs. Karina will check with their Canteen Manager on Friday when she returns to	
	work and find out how many pies etc. that she usually orders and let us know. They	
	usually stagger the lunch breaks and have a ½ hour break for everyone at about

### Attachment: Clubhouse Director's Report - April 2016

I now have a full copy of the Men's and Women's Draws for the 2016 competition and will be able to complete the Canteen Roster and the Duty Roster.

Have added another timeslot to the Canteen Roster, as with the last game now being 6pm on a Saturday and the first Saturday when Sharks were rostered they didn't get off until 8.30pm as everyone wanting hot food until 7.30pm. So now Hot Food will now be available up until 7.30pm with last call for orders at 7.15pm. Then one of the teams that are playing the 6pm game will come in and clean up.

Due to the format of the Draw the D1 Men who are playing 3 Saturdays out 4 between 1.30pm and 4.30pm timeslot will mean that they will incur more canteen duties, so maybe if the Clubs wish can allocate one of their other teams to cover some of their timeslots to even it out.

Canteen will be opening on a Tuesday night from 6.00pm to 8.00pm for the D1 Girls competition – no hot food will be available.

Having difficulty in getting people to cover the Bar, hopefully now that the full draws are out will get more volunteers. May need to look changing the allocation times i.e. split up the hours to make shorter timeslots.

I have order a 15ltr stainless steel bucket to be used when cleaning the Deep Fryers.

Just a couple of reminders when you are on Duty:

- Check the garbage bins to see if any need emptying (if a Men's team is on Canteen Duty and it is not busy ask for a couple of them to do a bin run), especially around the 3.30pm as this is the last timeslot that the Men are rostered onto the Canteen and then it is only Women's teams, so please arrange a bin run at 3.30pm this will then only leave a couple of bins to be emptied at clean up time. Or you can always ask a couple of older children to go on a bin run, they are happy to do this for a can of drink.
- Ensure that all left over meat, chicken and bread are frozen
- Ensure that the BBQ, Deep Fryers and all turned off correctly.
- Coffee Machine is turned off.
- If you have trouble arming the alarm system check that the Defib Box has been locked properly, you may have open it again and shut it harder to this the connection armed. 21 is the code number for the Defib box.
- Restock the Bar and Front Fridges or if asked team rostered on to do this if not busy cooking.

Need to call a Carnival Committee Meeting for the Two Championships being held here end of June and end of July. Only two months till the first one. Need to look at arranging a meeting. The Junior comp finishes at 12.30pm and the Senior doesn't start till 1.30pm so between these hours would be a good opportunity to hold this and would allow for Gloria and Dot to be present or if it suits Bronny better depending on her roster then could look at 7.30am meeting prior to the Juniors starting at 8.30am
