h. Election of office bearers for 2018

Deb Monck thanked the outgoing committee for their work in 2017 and then conducted the election of office bearers for 2018.

i. Positions where nominations in writing have been received before the AGM

Position	Nomination	Nominated By	Seconded By	
President	Deb Monck	Lyn Turner	Ruth Sheather	Elected
Treasurer	Doug Davidson	John Surtees	Deb Monck	Elected
Secretary	John Surtees	Deb Monck	Lyn Turner	Elected
Vice President	Michelle Collier	Lyn Turner	Doug Davidson	Elected
Ordinary Member	Lyn Turner	Doug Davidson	Rod Collier	Elected
Ordinary Member	Kevin Haigh	John Surtees	Kerrie Davy	Elected

As per our constitution being no other nominations the members that were nominated were declared elected

ii. Positions where nominations were taken from the floor

Position	Nomination	Nominee	Seconder	
Ordinary Member	Dylan Turner	Lynne Turner	Richard Johnson	Carried

Ordinary Member	Shane Green	Katrina Green	Michael Green	Carried
Ordinary Member	Adam Birkefeld			Carried
Ordinary Member	Vacant			

j. **Public Officer:** Lynne Turner to continue as Public Officer

k. **Auditor:** Maxine Gooch

l. **Honorary Solicitor:** Joshua Crowther

m. Election of Life Membership

No nominations were received.

New Business

Motion: *“That Training Days/Times to remain as per 2017 season, with the old grass training moved to the 3rd turf”*

Moved: Ruth Sheather

Seconded: Shane Green

Carried

It was noted that 3 clubs (cells) will need to submit a request in writing to call for a training ballot, within 14 days from today’s date, however a single request can be made in writing from a team/club to obtain an alternate training day for this season.

Doug sent a message regarding Training Lights – clubs will be billed for the lights as per the training/turf schedule regardless of whether you train or not, notification must be made to Doug by email if your training has been cancelled or altered.

Please let Shane know if / when clubs begin to train

Nominations for match committee delegates need to be submitted at the next P & S meeting so that a match committee meeting can be held after that P & S meeting.

Ideas to be brought to the first P & S meeting, decisions regarding the competition will be made at that first meeting, please ensure discussions have been undertaken with your club.

Being no further business the meeting was declared closed at 8.10 pm

Presidents Report 2017 Season – Manning Valley Hockey Association (MVHA)

My first year as President has been an interesting and, at times, frustrating and tiring but immensely fulfilling role. I have enjoyed the support and guidance from all my fellow Board members throughout the season.

MVHA have experienced many new and exciting developments this year. I took this role on with the funding for the new clubhouse extension and 3rd turf already in place. We turned the soil early in the season on the project and now have a wonderful facility that we can enjoy for years to come. I would sincerely like to thank the tireless effort of our members, donating goods and/ or their time and energy and have gone above and beyond in helping the clubhouse get to this stage.

The new clubhouse extension was always a shared space. MVHA has entered a MoU with Manning Valley Cycle Club about the ongoing use of the shared space specially to enable large tournaments and meets in the future, further helping to raise the profile of both sports.

As with most big builds we experienced unplanned setbacks and have gone over budget due to some unforeseen extra costs. The Board have had many discussions on how we can absorb the impact and have now got a firm action plan partnering with Mid Coast Council. The good news for our members is that there will be no cost or levy placed on members fees from the association in 2018.

The third turf is just awaiting the surface to be laid and then it will be ready for action this season.

Other highlights and achievements from the 2017 season:

- Growth in our association with 841 members.
- We had Association supported gala days at the beginning of the season help grow our junior ranks with strong numbers in U12 age groups.
- A mixed U17/18 competition running on Tuesday nights
- A new RCC in Ben Hanlan supporting our Association and promoting hockey. Ben worked tirelessly and always made himself available to every club and the association for junior events.
- Signed an official sponsorship agreement with Just Hockey, providing access to hockey goods for all our members.
- Introduced the HNSW sponsored Revolutionise registration system – which will continue into 2018 and beyond.
- Introduced a family discount to help alleviate the cost of hockey to our families.
- Established amalgamated senior playing rules in the association, to be introduced in the 2018 season.
- Utilised the hockey centre in the off season by joining with Manning Futsal in an agreement.
- Hosted the under 15 boys State Championships. All our 2017 junior and senior representative teams performed well and were fantastic ambassadors for MVHA, with many players being selected in State and Australian sides.
- Signed an agreement with Taree PCYC to streamline access of indoor teams to use their facilities for training.
- Revamped the Representative Manual and established a very active Representative Committee as we have seen by the preliminary work done by the committee so far.
- Established a Junior Development Committee to work with the Junior match committee to further help and suggest projects to improve junior player involvement in hockey.
- Updating the webpage making it modern and more user friendly for our members.
- Developed and submitted a 3-year strategic plan to HNSW and locking in another 3-year deal for tournaments till 2021.
- Sadly in 2017 we also lost members of our extended hockey family. Vale Kay Klump a stalwart of MVHA.

What we are doing in 2018:

- Completing the third turf.
- A 2018 season planner calendar was released to all club's mid-way through 2017 to facilitate better organisation and planning at the start and during the season. This plan includes more gala days and the Kookaburra 8's.
- We are continuing to work with our RCC, Ben to try and raise the profile of hockey and increase participation in the Manning Valley, especially with juniors.
- Help our clubs utilise the \$100 rebate for all school age children offered by the NSW Government

- HNSW has gazetted 2018 to be the Year of respecting officials. In 2017 MVHA ran two very successful anti-violence campaigns with Shoosh for Kids promoting positive behaviour in junior sport by everyone and Lace Up a campaign raising awareness of social violence. We will again look at supporting these behaviours at hockey.
- Hosting U13's girls NSW Championships.
- Continue to build on partnerships with PCYC, MVCC and Futsal to utilise our new centre and create more opportunities for MVHA in the future.
- Introducing EFTPOS at the canteen and bar.
- Playing under standardised senior rules across men's and women's competitions.

Lastly, thank you to my fellow Board members, the club executives and all the members and volunteers for making my first year as President a busy, productive and wonderful experience. I look forward to 2018 being another season of growth and evolution in hockey and our competitions.

Deb Monck

MVHA President.

Turf Directors Annual Report 2017

2017 has been a very busy year with the extensions to the clubhouse now completed & the new turf almost finished.

We had the Hunter Academy squad use our facilities twice during the year. We received great feedback from the officials & parents regarding the cleanliness of our turf & the use of our showers & toilets as many had to travel long distances.

We hosted the Under 15 Boys carnival in June with many teams participating & enjoying our facilities.

Repairs were carried out to the ATF circle where the turf had begun to lift. It has been pulled back into place & glued down. So far it has held in place. Thank you to Pete, Larry & Kevin for assisting me.

Training times for semis, finals & grand finals went smoothly.

Thank you to all the teams who participated in the 2017 competition & congratulations to all the winners.

I would like to thank Deb Monck for all the effort she has put into MVHA & to all the Board members for your dedication & hard work in 2017.

Regards,

Shane Green

York Cup – B Division Manning Valley 1 Boys Report – Chris Davy

A fantastic trip to Tamworth culminated in the Manning Valley 1 Under 11 Boys team taking out the York Cup B Division trophy.

Manning Valley 1 were placed in one of two B Division pools with points accumulated via field matches only (not indoor). Matches were 18 minutes long and no half time. Top 2 teams from each of the two B Division pools then played a second round robin to decide the trophy.

Coach – Chris Davy

Manager - Steph Doel

Captaincy – Shared amongst the older and henceforth ‘retired’ York Cuppers. (Mason Doel, Kohby Northam, Toby Allan, Ben Wright, Cae Allan and Kyden De Angelis).

Team: Toby Allan, Leo Allan, Mason Doel, Oscar Davy, Tom Davy, Ben Wright, Joe Wright, Kyden De Angelis, Kohby Northam, Tyler Ruprecht and Cae Allan.

Friday 20th July

York Cup Game 1 - MV vs Newcastle 2. MV won 1-0 with Toby Allan the goal scorer.

Game 2 - MV vs Tamworth White. MV won 1-0 with Kyden De Angelis scoring.

Game 3 - MV vs Coffs Coast. MV won 1-0 with Mason Doel scoring.

Saturday 21st July

Indoor Games – MV vs New England. MV won 2-1 with Toby Allan and Ben Wright scoring.

- MV vs Grafton White. MV won 2-1. Joe Wright and Cae Allan goal scorers.

York Cup Game 4 – MV vs Grafton White. Draw 0-0.

Game 5 – MV vs Grafton White. Draw 0-0

MV placed number 1 at end of pool 1 stage and progressed to final round robin to decide York Cup B Division winner.

Saturday 21st July

MV vs Newcastle. MV won 1-0. Toby Allan goal scorer.

Sunday 22nd of July

MV vs Central Coast. MV won 1-0. Mason Doel goal scorer. MV now unbeatable for Cup due to points accumulated.

MV vs Gloucester. Gloucester won 1-0.

Our team received the York Cup in front of a very large crowd who had stayed to watch. The boys also received special York Cup caps with '2018 winners' embroidered. I was privileged to also present my Coaches Award in front of all those assembled to an outstanding young man who was kind, thoughtful, respectful and also the leading goal scorer – Toby Allan.

Overall, this was an outstanding success for MV hockey. The boys demonstrated remarkable and commendable attitudes, were honestly great fun to be around and impressed those whom they met.

MVHA State Representatives who competed at Under 18 Australian Championships held at Launceston

Opening Ceremony Speech for Clubhouse Extension and Third Synthetic Surface

Club House

Third Field at night

President Deb Moncks Field opening Welcome to Guest

The Honourable Federal Member Dr David Gillespie, the Mayor of MidCoast Council David West, The CEO of HNSW David Thomson, Life Members of MVHA and other invited guests.

Welcome to Taree Hockey Centre, a premier facility supporting hockey and sports within the Manning Valley.

The Taree Hockey Centre we are celebrating today is a testament to the hard work and commitment by the current, and previous members, of the Manning Valley Hockey Association in continually promoting and improving hockey as a sporting option for residents within the Mid Coast/ Manning Valley.

This amazing sporting association has proud history and has been running continuously for over 50 years, producing, and hopefully continuing to produce, representative players to the highest level.

The Taree Hockey Centre, as it is now, has been over 20 years in the making. In 1988 the MVHA started the first partnership with Government and Council to build our first synthetic turf. Again, through grants and a lot of volunteer assistance and hard work from members and support by local businesses the second turf and original clubhouse were built.

I am the current President and have the fortunate task of being able to thank all the previous Presidents, Board members and general members who have donated their energy and time over the years, and still do, to maintain and showcase this centre and hockey as a premier sport in our area. I cannot thank enough all our members who continue to volunteer their time in all capacities to keep hockey going.

In 2017 the grant we received from the Federal Government Department of Infrastructure and Regional Development and the Community Development Grant Program, along with the MidCoast Council loan has enabled us to complete the third synthetic field. Then with the State Government support of Manning Valley Cycle club extend the hockey clubhouse which also now incorporates a new secure and separate clubhouse area for cycling and improved viewing areas for both sports..

The expansion will allow us to showcase top level hockey through continuing to host a larger range of Hockey NSW Championships well into the future helping to bring people and profits to our local area and businesses. We will continue to partner with local schools and be able to offer our facilities to other local sports, providing training and playing surfaces. Finally, with a membership encompassing players from 4 to over 70 we are now set to provide an amazing centre for years to come.

Thank you all for coming and celebrating this opening. Please stay, walk around and enjoy our new facilities and refreshments after the opening.

Thank you.

Deb Monck,
President MVHA

Mel Mendham Over 45 Australian Masters Representative

Major titles here

BY MICK McDONALD

MANNING Hockey will host two major state championships in 2019 and 2020.

The NSW under 18 women's titles will be here next year while the Northern Women's Half State Masters Championships are scheduled for 2020.

This has been confirmed by Hockey NSW. The under 18 titles will be held from May 10 to 12 in 2019.

"The northern masters is one of the biggest events we've held here in terms of player participation," Manning Hockey president Debbie Monck said.

Teams will come from Sydney to the Queensland border.

"We've held it here before but 2020 will be the first time we've had the three turf fields in use."

In past years the association has had to use grass fields as well as the synthetic surface grass fields for the masters. This will probably be the case in 2020, depending on the number of sides involved.

However, having three turf fields will be a huge boost if wet weather intervenes.

"We had the half State here a few years ago and the weather was atrocious," Debbie recalled.

"We only had the two turf fields then and we couldn't play on the grass because of the rain. Hockey NSW had

a potential problem, Debbie said the third turf field would mean games wouldn't have to be as drastically cut back if rain rules out the grass fields.

"Players will get more value for their money," she said.

Debbie said the under 18 titles next year will provide some top class hockey - probably the best seen here.

Earlier this year the association hosted the State under 13 girl's championship. This attracted 43 sides and was played over three days, employing the three synthetic surface fields for the first time.

"The feedback we got from Hockey NSW and from people here for the championship was really positive," Debbie said.

Debbie confirmed Manning will be represented at the under 18 titles next year. However, at this stage she isn't sure how many sides will be here.

"We should have a strong squad, we have a lot of good young players in that age division," she said.

"That was confirmed with Taree High's win at the State CHS championship last week."

Meanwhile six Manning players head to Western Australia this week with NSW teams to contest the Australian Women's Masters Championship. They are Kerrie Davy, Paula Smith, Kristy Aldridge, Melissa Mendham, Linda Ferguson

Taree High reign in state school hockey

HOCKEY

BY MICK McDONALD

TAREE High's girl's hockey team had a few anxious moments in the State finals at Lithgow before securing a second successive Combined High School (CHS) championship.

The team hadn't played much hockey together before qualifying for the last eight because of byes and forfeits. However, Taree steamed into the quarter final with a 9-1 shellacking of Tuggerah Lake to secure a spot.

Coach Jordan Hardy said the last of game time was offset by the fact the majority of team members play together at club or representative level.

However, Taree faced a major hurdle in the quarter final at Lithgow when they took on Westfield Sports - the school they beat in last year's final.

With time just about up Westfield led 2-1 before Taree converted a corner sending the match to a stroke off.

Here Taree goal keeper Phoebe Cause rose to the occasion to give Taree the win and a semi-final berth against Mulwaree High from Goulburn. Taree showed some championship form when winning 2-1. This set up the final against Orange.

Taree started favourite, but

Taree High players with the trophy after their 3-1 win in the final of the State Combined High School hockey championship in Lithgow.

She said the player were trying to make things happen too quickly.

"I told them at halftime just to calm down and not to try and score from every play," Hardy said.

The players heeded the

Watts, Jordan Moscott and Hayley Manusu.

The coach wouldn't single any player out for special mention.

"It was a team effort," she said.

"I was proud of them all."

Captain Tahni Walters and Taylah Clark will be leaving school. They'll be missed, but Hardy said the school has a great depth of hockey talent.

"They'll be strong again next year," she said.
