AGM Reports 2019

MVHA Presidents Report

I am amazed and so grateful to my fellow board members. We have had a very disrupted year on the board with some major health scares, extended leave requirements and some family hardship, through all of it and with help from other MVHA ex board members and general members we got through with little or no disruption to the MVHA season. I am so thankful to my fellow board members and all those people who helped with their tireless efforts, you are amazing and MVHA is lucky to have you.

2019 also saw us celebrate the hard work of one of our long serving volunteers and players with Gloria Smith now stepping back from the canteen in 2020 to enjoy her hockey with less early morning starts. Thank you again Gloria for all your volunteer work, they will be big shoes to fill.

Although we started the season free of construction and the third turf in full swing, the beginning was not without disruption with a huge storm causing damage to our newly erected fence at turf 3 and older ATF fencing. In light of further natural disasters that we have faced both locally and nationally we probably got off lightly. However due to the devastating bushfires that have affected our local communities the repair, although supposed to be completed will be delayed while more important infrastructure is seen to. The fencing was made safe and will remain as is, the repair when it comes hopefully not affecting our access to the fields.

2019 was another successful year. Player numbers were down slightly but our competition was strong with 3 divisions in Men and four in the women. Congratulations to all the successful clubs, teams and individual players and officials who won awards and grand finals in the 2019 season.

MVHA held another successful championship in 2019 with the HNSW under 18 girls. Along with participation in that championship Manning again represented well in all age groups and HNSW Championships. All our female rep sides are in division 2 and our male rep teams either division 1 or 2. A list of our HNSW standings will be placed on the noticeboard.

Looking back what we set out to achieve, and did achieve in the 2019 season:

- Haly tech light system in use
- Continued to be one of the most successful associations utilising the \$100 rebate for junior players.
- Further use of return and earn raising funds used to buy produce and items for the canteen
- Junior rules review completed; annual review and refinement of senior rules
- Continued our partnership with MVCC, PCYC and Manning Futsal
- Hosted a very successful HNSW u18 girls championship
- Finalised the loan and a formal lease with MidCoast Council and began making repayments.
- Continued with our open indoor competition
- Began a junior indoor competition
- Continued return and earn – feeding proceeds back to canteen.

What we are still working towards

- Increase Board membership
- Engaging with women masters, increasing participation for those not seeking competitive play
- Building our indoor participation at the end of the season – especially juniors
- Refining our governance and policies especially regarding representative requirements
- Continue to develop and provide easy access to information using our web page, Facebook and social media
- Purchasing turf maintenance equipment – Grants have been submitted
- Replacement of our ageing electronic scoreboards and new scoreboard for turf 3
- Investigate solar panels and battery storage in partnership with MidCoast Council
- Become more environmentally conscious by trying to reduce our waste

Thank you to all the club executives, committee members, volunteers and the Board for all your work during the 2019 season.

I cannot thank enough and stress enough to general members how so few have worked tirelessly to keep this association going. Your competition, clubhouse, grounds and fields would not exist without their efforts. Let's hope that 2020 brings us another successful year where we can enjoy and grow our amazing game of hockey.

President

### **Club House Directors Report**

Well another hockey season over, and I would like to thank you all for stepping up and covering my duties whilst I was off.

Clubhouse looks great with new carpet, and thanks to Vicki Birkefeld for setting up the "Kiddy Corner" for our little ones, it looks very inviting and quite often see it being utilised, excellent idea and much appreciated.

Noticed on the draft Profit and Loss Statement for 2019 that takings were down quite a bit. This would mainly due to there not being Thursday and Friday night games being played and the other contributing factor is the distance the 3<sup>rd</sup> Turf and it being a Non Alcohol Zone along with a lengthy break between Junior and Senior games with not many staying and having lunch. Hopefully this will not happen again next year.

A big thank you to all Clubs for all their assistance over the season and the quality food that was served over the season our best seller was the Chicken Burger.

This was Gloria's last year as Canteen Supervisor who has been the Canteen Supervisor for 15 years and would like to thank Gloria for the many hours spent manning the front counter and assisting with all the ordering that is required to run the canteen.

We are still seeking someone to fill this vacancy and are happy to share this role among 2 or more people to lighten the load and to make the hours more friendly. i.e. Start time of ½ hr prior to the start of play on a Saturday and closing the front canteen at 5pm. Please note that travel expenses are paid. So if anyone knows of someone who might be interested please have them contact me.

Lynne Turner

The 2020 Winter Hockey Season was very badly disrupted due to the Covid 19 pandemic. The was shorten to 10 matches with no premiership trophies or individual trophy winners awarded.
