

## **MANNING VALLEY HOCKEY ASSOCIATION INC.**

### Family Discounts

The Board of Management of Manning Valley Hockey Association Inc. recognises the cost associated to families participating in the local competition, and for the 2017 season the Association will introduce a Family Discount Option for registration fees payable to MVHA.

The discount will be available to families where a parent, or parents, who play hockey in Manning Valley Hockey competitions have two or more children who are eligible to play Juniors, and are playing Junior and/or Senior hockey in Manning Valley Hockey competitions.

The Family Discount will apply to the MVHA registration fees for the second and subsequent child, where the second child's fees will be discounted by 25% and the third and subsequent children's fees will receive a 50% discount.

Each child is limited to one family fee reduction.

Clubs will be required to provide details of discounts claimed on a form that will be provided and to be included with their Team Registration Forms submitted to the MVHA Secretary.

Version 2017 (March)
