

# Senior Competition Match Card 2022 Guidelines

## **Team Managers:**

- Each Team Manager will complete front of Match Card prior to commencement of play.
- The Match Card is to be always available to Umpires, so must remain in the dugout at all times.
- Team Manager will complete goal scorers for their team only on Match CARD and on the electronic score board
- Team Managers are to record full details of all players injuries for their team on the back of match card at time of injury
- Team Manager to record player suspensions for their team, this will include name and type of card issued only
- At the completion of the match the team manager will immediately place the Match Card on the Bench in middle of Dugout for completion by match umpires and team Captains.

## **Umpires:**

- Umpires are responsible to ensure each team has a completed match Card prior to commencement of play
- Umpires are to ensure all details are completed on Match Card prior to each Team Captain signing Match Card at end of match.
- Umpires are responsible for ensuring both Match Cards are returned to Umpires Room and scanned immediately following match.

## **General:**

- Team Managers will be responsible for supplying own teams Match Card, this enables Team Managers access to complete front of Match Card prior to match day. *(Blank Match Cards will also be available in Umpires Room or on website)*
